

SAINT LUCIA

WILL YOU BE SAINT LUCIA BIRD PHOTOGRAPHER OF THE YEAR 2017?

Calling all avid bird photographers, whether you are a professional, keen amateur or hobbyist, we want you to submit your best bird photo taken in the beautiful Caribbean island of Saint Lucia.

Saint Lucia is blessed with over 180 bird species and 6 endemic birds that add to the colour, vibrancy and sounds of this stunning tropical isle. With lush rainforests, an abundance of bird sites, nature trails and wetlands, the birding experience is one of the most unrivalled in the Caribbean.

The island is not only a bird watcher's paradise but also offers great natural attractions including the Caribbean's only drive in volcano where you can take a mud bath in the Sulphur Springs, visit Diamond Waterfall and Botanical Gardens, take a whale and dolphin watching tour or visit a cocoa plantation to make your own chocolate.
